

Product Approval Specification Form

Permit # _____

Project Location Address _____

Applicant _____

As required by Florida Statute 553.842 and Florida Administrative Code 9N-3, please provide the information and product approval number(s) on the building components listed below if they are to be utilized on the construction project for which you are applying for a building permit. We recommend that you contact your local product supplier should you not know the product approval number for any of the applicable listed products. Be aware that windows, skylights, and exterior doors must be tested in accordance with the Florida Building Code, Section 1714.5. More information about Statewide Product Approval can be obtained at www.floridabuilding.org.

The following information must be available on the jobsite for inspections:

1. This entire product approval form
2. A copy of the manufacturer's installation details and requirements for each product.
